

Biodiversity Research Aid for Innovation and Novel Solutions B.R.A.I.N.S.

Do you have an *innovative* and *valuable* idea? Would you like to learn how to protect your innovation? Not sure what in bioinformatics/life sciences areas is patentable? Do not worry, you can get professional advice!

B.R.A.I.N.S. *learning* is pleased to announce a workshop on
Intellectual Property

Presenters:

Melanie Szweras, Laurence MacPhie and Ian McMillan
from Bereskin & Parr LLP Intellectual property law

Title:

Is my research patentable?

Topics to be included on the workshop:

- Intro to Patents:
 - What is a patent?
 - Requirements for patentability
- Novelty, inventiveness, utility, patentable subject matter
 - Process for obtaining a patent
 - Invention disclosure forms
- Provisional vs. regular vs. international applications

When: Thursday January 14th 2016 at 12:00 pm

Where: Visualization Theatre, Room 1009
Biodiversity Institute of Ontario
